

SAVE THE DATE!!

January 2019

Calling all paddlers!!!

The fourth annual **Chautauqua Lake Dragon Boat Race** is scheduled for **August 10, 2019!!** This event offers a unique opportunity for your club, business, family or organization to get involved in a fun teambuilding event and fundraiser to benefit Chautauqua Lake.

***Don't miss the boat - early bird rates start now.
Reserve your spot TODAY!!***

Past support and participation has helped to make our event an overwhelming success! 31 teams from local businesses and community groups along with several experienced teams competed in the 2018 races on Chautauqua Lake. Race participants, co-workers, friends and family shared in a fun-filled afternoon of friendly competition on Chautauqua Lake.

New for 2019...we are expanding our club division (for the more experienced teams) to include a Business division. We think you are ready for the 20-person races!! That means more friends can paddle, faster races and more bling can be won!! And don't forget drummer awards will be given for most interactive and best dressed drummers!

The event planning committee would love to have you consider forming a team and joining us for a rewarding and exhilarating experience racing a Dragon Boat on Chautauqua Lake in 2019. Originating in China over 2,000 years ago, today Dragon Boat racing is the fastest growing team water sports in the world. Teams do not require prior experience, equipment & training will be provided. You simply need the desire to participate and enjoy a friendly athletic contest!

We hope to hear from you TODAY if you would like to be a part of the 2019 event. Please contact Heather Nolan at 716-763-8602, heather@chautauqualakeassociation.org or Shirley Sanfilippo 716-487-4175, clerk@celoronny.org or any of our dedicated committee members for additional information. Enclosed you will find a registration form, sponsorship opportunities and the 2019 rules.

Help ensure that Chautauqua Lake remains the focal point of our community now and into the future!

Sincerely,
The 2019 Dragon Boat Committee
